Explanatory Notes

Where, upon allocating places in accordance with the above order of priority, it appears that the number of applicants in the lowest relevant category of priority exceeds the number of remaining places, priority in that category (and in that category alone) will be given to the eldest applicant(s).

The Board of Management will not regard the residency requirement in category a) above as satisfied until the Parents/Guardians are able to provide proof on request by the Board of Management of the applicant's residency in the Parish for three months prior to the closing date for applications, and continuing residency up to and after the date of entry to Junior Infants.

In relation to criterion (A), the Board of Management's determination as to whether the residency requirement has been satisfied in any given case shall be final and conclusive.
The Board of Management reserves the right to withdraw a place that has been allocated on the basis of residency at any time prior to the commencement of the relevant Junior Infant class in the school if the Board of Management is satisfied that the applicant no longer satisfies the residency requirement.

In the event that there are two or more pupils tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the eldest shall be given priority. If two or more pupils who are tied for a place have the same birthday, the place will be determined by the Principal by way of a lottery (a name will be drawn from a hat by the Principal with an independent person present).

Providing false or misleading information or withholding relevant information will invalidate an application.

The Board of Management reserves the right to amend any aspect of the above policy from time to time as may be deemed necessary.

Procedure:

(a) Parents/Guardians must complete an Admission Application Form for the year of entry (available on the school website) accompanied by a copy of the boy's Birth/Adoption Certificate to the school which may be scanned (and emailed) or photocopied (and posted) to the school, **and obtain a letter of acknowledgment**. In the event of any dispute, only a letter of acknowledgment will be taken as proof of a valid application having been made.

(b) Completed Admission Application Forms and accompanying certificate must be **received** by the school before the closing date for applications, which is on or before 3pm on the 25th of November 2021 in the case of the Junior Infant class. Responsibility for ensuring that the school receives the requested documents by the closing date lies with the Parent/Guardian making the application.

(c) Details of boys for whom completed Admission Application Forms and accompanying Certificate have been received by the deadline will be placed on an applications list. Applications will not be recorded on the list until such time as all requested information has been received. The placement of any boy's name on the list merely confirms receipt of a completed application. The applicant will then be assessed for eligibility on the basis of the criteria outlined in the admission policy.

(d) Parents/Guardians will be notified within 21 days of the closing date for applications of the outcome of their application. Offers must be accepted within the time specified in the letter of offer. In the event of an offer not being accepted within the specified period, the right to a place is automatically forfeited.
